

2016 SPRING NEWS LETTER

Greetings to all Swan Lakers,

Once again, the warmer weather will draw us all to the lake. As usual, it will prove to be another fun filled and busy time. We do need to focus on two important issues which are related: The continuation of our CBI Program to ensure the safety and purity of the lake and increased membership and support of that program. In that regard, you will see "thermometer" type charts to indicate the financial progress of CBI funding. These 'charts' will be placed at strategic locations such as our kiosk, the Camp store and maybe Tozier's. In this way, all residents, members or not, will be encouraged to support it.

Summer schedule:

June 25th-----plant/yard sale(Any donations will be appreciated) contact Ann Hooper, Peg Stout, Charlotte Kerrigan, Helen Robinson or Nancy Baxter.

June 13th-----6:00 pm, Pot luck Kermit Nickerson School & guest speaker, Laura Lecker from "Avian Haven"(animal preserve & rescue)
